**MEETING OF COMMITTEE**

The committee to have been named by a committee appointed at the meeting of the farmers of the county on last Tuesday afternoon, met on Saturday afternoon in the Chamber of Commerce. The committee is composed of the following persons, Hon. Stanley F. Reed, Dan H. Lloyd, L. E. Smoot, E. T. Kirk, Pat Comer, James Finch, Mrs. Jennie Ziegler and Mrs. Eugene Merz. They discussed plans for increasing production of crops.

**STREET CLOSED**

By Circuit Judge C. D. Newell in the Mason Circuit Court on Saturday and Work Will Begin Closing the Thoroughfare Soon.

In the Mason Circuit Court on Saturday Judge C. D. Newell in the case of the City of Maysville against E. T. Kirk, J. C. Rogers, C. & O. Railroad, Ed Richeson and Sallie W. Burgess, ordered that the northern end of Lower street be closed. This street is one of the most noted in the city, having occupied the limelight for the past several years.

The judgment was as follows: "It is adjudged that the northern end of Lower street, commencing at a point 170 feet North of the Northern curb line of West Second street and extending North to the Ohio river within the square of ground in the First Ward of the City of Maysville, Kentucky, which square is bounded on the North by the Ohio river and on the South by West Second street and being the Northern block of Lower street, running from West Second street on the South to the Ohio river on the North and being bounded both on the East and West and directly adjoining and abutting the property owned in fee and in possession of the C. & O. railway, a corporation, be forever closed as a public street of the City of Maysville. This judgment may be executed at once."

Work on filling the street will begin immediately. As soon as the street is filled the present freight depot will be torn down and work on the new passenger station will begin. The plans of the new depot may be seen at the office of the Chamber of Commerce on West Second street.

In the court in the case of Florence Barnett's administrator against Dr. Leslie Brand the plaintiff produced a motion for a new trial, which was ordered filed.

**MISS BARBOUR COMPLIMENTED**

We take from the Cincinnati Commercial Tribune the following notice of a Recital at Conservatory of Music by Miss Elizabeth Graham Barbour: Miss Barbour's playing of the Tausig arrangement of the Bach toccata and fugue was forceful and magnetic, and she won much success by her Chopin group, comprising two etudes and the G-minor ballade. It was in her novel numbers, "Meditation" of Tchaikovsky and "Espansa" by Chabrier-Chevillard that she made particular appeal, her artistry, rich temperamental and technical resources lending themselves with especial sympathy and enthusiasm to these numbers. Miss Barbour is an accomplished pianiste, whom it is always a pleasure to hear.

Miss Barbour will play in the near future in a concert at our Woman's Club.

**HAD NARROW ESCAPE**

Mr. Horace Crawford of the county, had a very narrow escape for serious injury and possibly death on Saturday afternoon about 4 o'clock. Mr. Crawford was going up Front street, an eastbound freight train coming at the same time. The horse Mr. Crawford was driving scared at the train and started running, very close to the cars. The young man was thrown from the buggy and was being dragged between the buggy and the train. Mr. George Grey, local tobacco man, caught the horse and stopped it, but not before a gondola in the train had struck the buggy, demolishing one of the wheels. Mr. Crawford certainly owed his escape to Mr. Gray, who had presence of mind enough to stop the frightened horse.

**GOES TO HUNTINGTON**

Miss Amy King left over the C. & O. Sunday morning for Huntington, W. Va., where a lucrative position has been offered her in the offices of Enslow, Fitzpatrick and Baker, prominent attorneys of Huntington. She was accompanied by Miss Emma Schwartz, who will return today. Miss King besides being an expert stenographer, has been a faithful and valued member of the Christian Church choir for several years and her services will be greatly missed at this popular place of worship, where the music has always been of a high and pleasing order, due in a great measure, to her ability and cooperation, as she was seldom absent from her place.

"Some flowers have fragrance, while others do not. The fragrant flower is the most delightful. Most talking machine music may be likened to the non-fragrant variety while the New Edison Re-Creations of music are of the fragrant variety."—Hugh C. Wilson, Peekskill, N. Y. Mrs. James Frost was taken suddenly ill at her home on East Second street Saturday with appendicitis, and was removed to Hayswood Hospital for operation. She is reported as improving this morning.

**UNION REVIVAL**

Discussed at a Meeting of the Ministers and Laymen of the Evangelical Churches in the First Presbyterian Church Yesterday Afternoon.

A meeting of the ministers and laymen of the evangelical churches of the downtown district was held yesterday afternoon at 2:30 o'clock in the First Presbyterian Church for the purpose of discussing the matter of holding an union revival in this city next fall. About thirty men were present. The Rev. Will B. Campbell, pastor of the First M. E. Church, South, presided over the meeting.

The Rev. O. G. Reagan, of Vanceburg, a member of the Honeywell Evangelistic Party, was present at the meeting, representing that company of workers. He answered all questions pertaining to the revival cost, place of meeting, etc.

Plans were first discussed of the place of holding the meeting. Mr. Reagan stated that it would be best to build a tabernacle, which would hold about 2,000 people. This plan was given up however on account of the fact that no vacant lot could be secured in the city, which was not near the railroad. The cost of erecting a tabernacle would be about \$1,000. The meeting will be held in one of the large tobacco warehouses in the East End of the city. Several have offered their houses.

The cost of the revival would be about \$2500. It would be held in the early part of the fall.

After discussing the matter to some length, during which time nearly all of those present spoke as being in favor of the revival, a committee was appointed composed of the ministers and one lay member of each church to wait upon the congregations of the various churches and report their attitude in the matter.

"Sometimes, placing a record on my New Edison, I sit down to read. But the music is so real, so compelling, that I am unable to read. Besides, the artist seems so truly present that I feel uncomfortable discarding in failing to give complete attention. Music from no other kind of phonograph effects me in this manner."

## HOW THE COST OF WAR MAY BE EQUITABLY SUSTAINED

The President's plan of financing war preparations and war expenditures through credits that shall be "sustained, so far as they can equitably be sustained, by the present generation by well conceived taxation" is not favorably received in financial and business circles. It is the first time in our history that such a policy has been advocated, much less put in force. The national debt contracted in the War of the Rebellion, 1861-1865, was not saddled upon the people of that period. It has been shared by two later generations, and is not yet wholly wiped out.

No one can tell what the war expenditures beginning in 1917 will amount to. The war has now lasted thirty-three months. It has already increased the public debts of the fighting countries more than one hundred billion dollars and the burden keeps on growing at the same tremendous rate. The people of the present generation in Europe could not possibly pay that immense aggregate of national indebtedness. A large part of it will be passed along to coming generations to pay. So it should be with our own country. Let future generations pay their rightful share of the expense of a war waged for the benefit of all future generations.

The Congress of the United States is the rightful judge of the time when, and the manner in which, the coming additions to our national debt shall be paid. It is through the Congress that the American people speak. The President can only advise; it is Congress that must act. Congress will determine to what extent war expenditures are to be met by direct taxation which shall be borne by the present generation, and to what extent the money shall be obtained through bond issues which in part will be a charge upon later generations.

Congress can, if it will, so adjust the sources of income as to materially lighten the burden of direct taxation and transfer a large portion of that burden to the shoulders of foreign producers seeking to compete with an undersell American producers in the American market—that is, by a material increase in the present Tariff duties. In that case an important portion of the added revenue would be paid by foreigners and not by the American people, and to that extent the burden of taxation would rest more lightly upon the present generation of Americans. Bond issues we must have; direct taxation we must have, but we should have also a Protective Tariff that will be of double help, first, by mitigating the rigors of direct-taxation, and second, by protecting American labor and industry against the unfair and injurious invasion of the cheaper products of foreign countries. In that way can the cost of war be most equitably sustained by the present generation.

The policy of Protection will assert itself by insisting upon an increase of customs dues before bond issues are resorted to by Congress.

A man who lives right, and is right, has more power in his silence than another by his works.

## NERVOUS BREAKDOWN

Stamford, Conn., Nurse Tells How She Found Health.

Stamford, Conn.—"I am a nurse and suffered from a nervous breakdown. I had no appetite and could not sleep at night, and nothing seemed to help me. By chance I heard of Vinol, and after taking the first bottle I noticed an improvement, and four bottles made me well and strong, it gave me a hearty appetite, so I can sleep soundly night or day. I consider Vinol a wonderful tonic." Edith R. Forbes, Stamford, Conn.

The reason Vinol is so successful in overcoming such conditions is because it is a constitutional remedy and goes to the seat of the trouble. It is the greatest strength creator we know—due to the beef and cod liver peptones, iron and manganese peptones, and glycerophosphates which it contains, all dissolved in a pure medicinal wine.

We have seen so many wonderful recoveries like this right here in Maysville caused by Vinol, that we feel perfectly safe in offering to return money in every such case where Vinol fails to benefit. J. C. Pecor Drug Co., Maysville, Ky. Also at leading drug store in all Kentucky towns.

## 500 GERMAN SOLDIERS IN ATTEMPTED DESERTION

Amsterdam, via London, April 20—More than 500 German fuellers, sailors and landsturmiers on Monday evening, tried to cross the Dutch-Belgian frontier from the environs of Knocke to Gear Cadand, Holland, says the Handelsblad, but the attempted desertion was frustrated after the party had been pursued and attacked by Uhlans.

The deserters were fired on by the Uhlans with machine guns and in a fight which lasted a half hour, thirty-eight of the deserters were wounded. The mounted guard along the frontier, the newspaper adds, has since been doubled.

## FOUR WEEKS IN HOSPITAL

No Relief—Mrs. Brown Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio.—"For years I suffered so sometimes it seemed as though I could not stand it any longer. It was all in my lower organs. At times I could hardly walk, for if I stepped on a little stone I would almost faint. One day I did faint and my husband was sent for and the doctor came. I was taken to the hospital and stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse asked me to try Lydia E. Pinkham's Vegetable Compound. I began taking it that very day for I was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home."—Mrs. W. C. Brown, 2844 W. 12th St., Cleveland, Ohio.

## OLD GLORY OVER WESTMINSTER—AMERICAN PARTNERSHIP IN WAR CELEBRATED IN ST. PAUL'S CATHEDRAL

London, April 20—The entry of the United States into the world war on the side of the Entente Allies was celebrated in St. Paul's Cathedral today.

King George and Queen Mary and numerous members of the Royal household, the mayor of the twenty-six boroughs of London, dressed in their official robes, peers, eminent ministers, the ambassadors and ministers of the Entente countries with their staffs; high army and naval officials and British-Americans including Walter Hines Pate, the American ambassador and his staff, were present.

Not a seat in the vast edifice was vacant.

The service was an impressive one, and King George evinced the deepest interest in it. The sermon was preached by the Rev. C. H. Brent, Episcopal bishop of the Philippine Islands. The archbishop of Canterbury delivered the benediction.

Arise for American Anthem  
The entire congregation arose near

the end of the service when the band played "The Star Spangled Banner" and there was audible throughout the Cathedral the sound of subdued voices singing the anthem. Even King George's lips moved as he followed the lines, and at the end of the stanza the words "The home of the brave" brought a smile to the monarch's face and he turned and nodded to the Queen.

"God Save the King" was a great vocal chorus in which everyone in the Cathedral participated except King George. A large American flag and the Union Jack were the only decorations in the Cathedral.

Flags All Over Kingdom  
There was a great display of American flags in London and all other English towns, and a popular demonstration by the crowds which surrounded the cathedral. The Stars and Stripes floated from the highest tower of the Parliament buildings at Westminster—the first time a foreign flag was ever displayed on that edifice—and flew above all Government buildings in the British capital. The service in the historic cathedral, where the most momentous occasions of national rejoicing and mourning have been solemnized, was unprecedented in being the commemoration of an act and decision of another nation.

The American Embassy and consular staffs occupied front seats with representatives of the Pilgrims, the American Society, the American Luncheon Club and the American Chamber of Commerce. In the diplomatic section were officers in the uniform of France, Russia, Italy, Belgium, Serbia, Montenegro, Roumania and Japan.

## SHIPPERS ARE DIVIDED ON INCREASED FREIGHT RATE

Washington, April 20—Representatives of shippers from all over the country today gave the Interstate Commerce Commission their views regarding the commission's tentative order permitting the railroads to file freight rate increases of fifteen per cent effective June 1. Many of the speakers favored an advance of some sort, providing the railroads could prove it necessary. Some advocated an immediate increase on the ground that it would be cheaper to pay the increase than to suffer losses later through lack of transportation equipment, and others refused to uphold any upward change, saying that no need of it existed.

The primary purpose of today's hearings was to bring out for the benefit of the commission shippers' opinion, regarding any general investigation that may be held before a final decision is reached concerning the tentative order.

Mrs. R. W. Lauderback, W. Second St., Maysville, says: "Two years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend one way or the other. London, April 21 (10 a. m.)—Ten thousand strikers, mostly munitions workers, tried to burn the town hall at Magdeburg Friday, according to a dispatch to the Exchange Telegraph Company from Oldenzaal, Holland. Soldiers fired on the rioters, killing many, and the town now is in a state of siege.

### WAY IS CLEARED

For Army Fight in the National Congress—Preliminary Skirmishes in House and Senate are Completed.

Washington, April 21—President Wilson's fight to organize a wartime army in accordance with advice of the War Department and the army general staff, will begin in earnest Monday in both houses of Congress.

In the Senate today the administration bill, supported by Senator Chamberlain, chairman of the Military Committee, and a majority of his committee associates, was formally started on its way to a vote. There was some debate, parliamentary tangles were disposed of, and the way cleared for uninterrupted consideration of the measure.

In the House both the majority and minority reports were presented from the Military Committee and the bill will come up Monday, with Representative Kahn, ranking Republican, leading the committee's minority fight for the administration plan unamended, while Chairman Dent, heading the majority of the committee, directs the opposition, urging trial of a volunteer system before resorting to the selective draft of the War Department plan.

**Report Based on Baker Letter**  
The minority report, signed by eight members of the committee, rests for authority on a letter from Secretary Baker to Chairman Dent, declaring the opinion that any compromise on the department's plan "would be attended by unfortunate results."

The majority report, signed by Chairman Dent and eleven others, says in part:  
"The bill authorizes, but does not direct, the President to issue a call for a volunteer army of 500,000 in the first place, and of an additional force of 500,000 if necessary, under the law now in existence."  
"The bill further authorizes the President to proceed at once with the registration of all male citizens between the ages of 21 and 40 as provided in the plan of the War Department for a draft, so that all of the machinery authorizing the draft of 500,000 for the first force and all of the additional 500,000 will be put in operation at once."

Christine Mayo, the famous Vampire Woman of moving pictures, will arrive in Maysville today and lecture at the Pastime this afternoon and night. She will also show one of pictures in which she is starred. Miss Mayo was recently accorded the highest honor a woman can gain in New York City. In a contest held by the New York Telegraph Miss Mayo was voted the most beautiful woman that ever graced the borough of Manhattan. When people are introduced to Miss Mayo, they stare with mouth open and shy wives hold on to their better half's coat for fear the Vampire of the screen will complete her work in her home or on the street. Meet Miss Mayo personally at the Pastime this afternoon or tonight. She will appear in person at each show. The admission will be 15 and 25 cents.

### Large Bible Class

In the Men's Bible Class at the Christian Church yesterday morning there were 65 men present, a large number. This church always has boasted of a large men's class. Beginning with next Sunday they will have a separate room from the rest of the Sunday School during the study hour.

### Special Speaker

R. A. Doan gave three helpful addresses at the Christian Church. His talk to the men was one of the best ever given to that class. In the church the addresses on missions were very impressive. The members who had voted to become a living link and support their own missionary made additional pledges to the amount of \$371. This amount will be brought up to \$400 and with that already pledged will make the \$600 necessary. J. T. Kackley will act as the special Living Link Treasurer. Those desiring to make additional pledges could see him or L. H. Young or the church clerk, A. H. Thompson.
